

# Waterproof Weighing Scale

Wash down Scale IP 65

PSS 300x300

PSS 400x500

## Designed with affordability in mind, but with no compromise on quality.

Economy bench scales is ideal for general weighing and simple applications in production, packaging, warehouse, inventory, shipping and receiving areas. Feature a simple, LED display, built-in rechargeable battery operation and flexible mounting capabilities.

## High Visibility LED Display

With Bright LED Display easy to see in dark location and Fast display stable weight

## Water proof IP65

Stainless steel Indicator and Aluminum load cell IP67 for wet area and wash down

## Durable Base Frame and Column Construction

Stainless steel pan and column. The structure provide maximum durable rigidity and structural integrity. Load-unload cycle tested to ensure long term performance

## Fully Adjustment Feet

Four rugged adjustable feet for prevent slip on uneven surfaces

## Specifications

Model	PSS 300x300-30	PSS 400x500-60	PSS 400x500-100	PSS 400x500-150
Capacity (Max)	30 kg x	60 kg x	100 kg	150 kg
Readability (d)	0.005 kg (5g)	0.01 kg (10g)	0.01 kg (10g)	0.02 kg (20g)
Maximum Resolution	1 : 10000			
Stainless Steel Column Height	30.0 cm	60.0 cm		
Construction	Stainless Steel Indicator, Column and Platform			
Pan size	30.0 x 30.0 cm	40.0 x 50.0 cm		
Safety Overload	100 % of maximum capacity			
Protection	IP 65 for Indicator and Load cell			
Weight Units	Kg, Lb			
Display	1.5 mm height, 6 digit, 7segment Bright LED Display			
Key Board	4 Button switch, Mode, Tare, Zero, Print			
Power Supply	230 Volt 50 Hz			
Interface	-			
Operation temperature	0 °C – 40 °C			
Relative humidity	< 85 %
